I have been informed of the requirements for taking a swine project. I understand if I do not meet the rules and requirements of the Jr. Fair Swine Dept., I will not be permitted to exhibit at the Brown County Fair. I also acknowledge the animal(s) that were tagged today, will not be altered in anyway. (Any tampering of the ear tags, will not be tolerated and may mean exclusion from the Jr. Fair Swine show). I must also attend the amount of meetings required by my club to be able to exhibit at the fair. By signing this form the exhibitor and parent(s) are stating that all the information on this form is true and accurate. Random farm visits can occur throughout the year.
