- Towels and washcloths
- Soap, toothbrush, and toiletries
- Flashlight (extra batteries, if you have them)
- Camera
- Bug spray
- Sunscreen
- Check your camp letter for any specific camp or themed related items to bring to camp.

TIPS ON PACKING FOR PARENTS

Living out of a suitcase is a new experience for most campers. Space is limited in the cabins; so getting organized at home can make living at camp a lot happier. Here are some ideas:

- 1) Pack clothes in matched sets. Shorts and tops for each day packed together saves a lot of time rummaging through the suitcases.
- 2) Pack plastic garbage bag and explain that all dirty clothes are to go there, keeping the clean clothes clean.
- 3) At camp, we walk to the showers, so packing shower things carefully saves a lot of “forgot something” trips back to the cabin. Put toothbrush, soap, shampoo, etc., in a small plastic bucket or bag so these things can easily be carried to the shower. Do not send anything in glass (breakable) container.
- 4) Go over with your camper what everything they’re taking looks like. Better yet, label it with their name. Many things get left in “Lost & Found” because the owner doesn’t recognize it! (Especially towels)
- 5) It is not necessary or advisable to bring a suitcase or trunk that locks. Nine times out of ten, a camper will either lock the keys in the trunk or lose the keys. Making it necessary to break into the suitcase. If a camper feels they have something valuable, they would (a) leave it home; or (b) ask to lock it up in the Staff Cabin.
- 6) Please remember we are not responsible for lost or damaged items. Please refer to the camp letters/forms for what is allowed and not allowed at camp.
