### Creating Entries

Each exhibitor can have multiple entries. One entry must be made for each item, animal, class, etc. For example, if an exhibitor is bringing two market barrows, two entries into the market barrow class must be created. If an exhibitor is showing one market barrow and it is county bred and born, two class entries must be created. One for the “market barrow” and one for “bred and born” class. Once all entries have been created for the first exhibitor, you have the choice of creating another exhibitor in this exhibitor group (and entries) or proceeding to check-out (submitting the entries, whether or not fees are charged).

You will be entering ALL your market, breeding and showmanship classes. Except for Small Animals, you will only be entering market classes.
1. Click Add an Entry beside the correct exhibitor (if more than one has been created).

5. If you see multiple boxes that you can check, you can enter multiple classes for each animal at one time. You will do this process for each animal.

6. Click Change to select the Club to which these entries will be associated. ***Your primary 4-H club should be listed. If you are in dual 4-H Clubs or 4-H and FFA, you can edit this section if this animal should be affiliated with a different Club/Chapter you are enrolled. You cannot split animals between clubs/chapters. Example: if you select your 4-H club for your market goats they must all be shown through that club, but breeding goats could be shown through an FFA chapter.

7. If you are in both 4-H and FFA Your animals should all be listed on the bottom left.
   a. If you are only in FFA you will need to create an entry for your animal and add your animals information which will be verified.

8. Select which animal will be part of this entry (NOTE: animals will be available to use in other entries, if needed).

9. Check the box next to each class this animal will enter.

If you do not have your breeding paperwork, upload a blank document stating this. Any paperwork not submitted with entries will need to be sent to the superintendents prior to fair.

If you see this box, click review/complete Outstanding Records to answer any questions/upload files.
